RMS Provider NIBRS Workshop Daytona Beach, FL June 4-5, 2024

Join the Full Circle Training Solutions team in Daytona Beach, FL for an informative 2-day workshop designed for Records Management System (RMS) providers. Our team of experts has over 45 years of NIBRS experience working with partners in the RMS industry, as well as users in the federal, state, local, campus, and tribal law enforcement community.

This workshop will include expert training, group discussion and panels on NIBRS reporting requirements, implementation considerations, data quality measures, the impact of accurate and timely data, transition lessons learned, upcoming technical changes, and related grant opportunities for private companies.
