

RMS Provider NIBRS Workshop Agenda

“Trustworthy Information for a Safer Society”

Day One: Tuesday, June 4th

8:00 – 8:30	Welcome & Introductions	Brad Zoladz Founder/Chief Executive Officer, Full Circle Training Solutions Patti Zafke Director of RMS Services, Full Circle Training Solutions
8:30 – 9:30	NIBRS Basics An incident is the foundational building block of NIBRS. How and when incidents are created in the RMS impacts overall reporting and statistics. This comprehensive session includes key components - the definition of an incident and the importance of the concepts of <i>same time and place</i> and <i>acting in concert</i> . Does your RMS account for these critical pieces of the NIBRS puzzle?	Brad Zoladz Founder/Chief Executive Officer, Full Circle Training Solutions
9:30 – 9:45	Break	
9:45 – 10:45	NIBRS Data Elements The NIBRS data elements are the keys to creating a picture that informs crime and victimization and provides data for evidence-based research and decision making. This session highlights the NIBRS reporting areas/segments, data elements and implementation considerations.	Patti Zafke Director of RMS Services, Full Circle Training Solutions
10:45 – 11:00	Break	
11:00 – 12:00	NIBRS Data Quality The goal of NIBRS is to provide uniform, accurate and timely crime data at the local, state, tribal, campus, and federal levels. NIBRS enforces several edits to identify reporting errors and warnings. This session will highlight common errors and warnings and considerations for RMS development and implementation.	Patti Zafke Director of RMS Services, Full Circle Training Solutions
12:00 – 1:00	Networking Lunch (provided)	
1:00 – 1:30	Feedback from Trainings FCTS has trained over 6,000 students from agencies and companies across 48 states and Guam. This session will highlight feedback related to their challenges with NIBRS reporting.	Brad Zoladz Founder/Chief Executive Officer, Full Circle Training Solutions

RMS Provider NIBRS Workshop Agenda

“Trustworthy Information for a Safer Society”

1:30 – 2:15	Understanding Hate Crime Full Circle Training Solutions is responsible for creating Hate Crime training for law enforcement agencies under a federal grant. One of the key goals of this grant is to improve the quality and completeness of hate crime data. This session highlights the conditions under which bias motivation should be reported in the RMS, data values, and data quality.	Kyle Comer Chief Grant Officer, Full Circle Training Solutions
2:15 – 2:30	Break	
2:30 – 3:00	Grant Opportunities for RMS Providers There are many federal-level programs offering no-match grant funds that can be used for NIBRS-related purposes. Is your company taking advantage? Learn more about current grant opportunities for RMS providers and the benefit that NIBRS data provides for local law enforcement grant applications.	Erica Smith Unit Chief, Law Enforcement Incident-Based Statistics Unit, Bureau of Justice Statistics
3:00 – 4:00	Advisory Policy Board (APB) Process and What’s on the NIBRS Horizon As of December 2023, over 30 UCR Data Collection (NIBRS; FBI Use-of-Force, Law Enforcement Public Contact; Lawful Access) updates have been approved. This session outlines how APB updates are proposed, approved, and planned for. Additionally, we will discuss the 2023 changes to Rape and Bias and the FBI’s roadmap of future enhancements.	Edward Abraham Unit Chief, UCR, Federal Bureau of Investigation
4:00 – 4:30	Open Discussion & Closing	All Attendees

RMS Provider NIBRS Workshop Agenda

“Trustworthy Information for a Safer Society”

Day 2: Wednesday, June 5th
